<b>Meter Size</b>	<b>Charge</b>	<b>Allowance, cubic feet</b>
5/8"	\$ 7.65	300
1"	17.85	700
1 1/2"	38.25	1500
2"	61.20	2400
3"	153.00	6000
4"	306.00	12000
6"	637.50	25000

One Cubic Foot equals seven and one-half gallons.

100% of the above rates will be charged for the **Sewerage Service Fee** plus \$0.70 per 100 cubic feet for the **Operation and Maintenance Fee**

Sewerage charges will be applied to all customers receiving sewer service and those customers inside City Limits to whom sewer service is available but who are not connected to the sanitary sewer.

The above rates are net. The gross rate, 10% higher, will apply to accounts not paid by the due date. Rates for service outside the City Limits are 50% higher than the above inside City Limits rates.

**SEWER SERVICE ONLY**

Customers receiving water from another metered source, but receiving sewer service from the City shall be charged for such service monthly. The amount of the charge shall be equal to the City's charge for sewerage in accordance with the applicable schedules.

Residential customers receiving water from an unmetered source, but receiving sewer service from the City shall be charged a flat monthly rate of \$14.00. Monthly rates for all other sewer service customers receiving water from an unmetered source shall be determined by the Murfreesboro Water and Sewer Board.
